REAL BLUE

ONE NATION[®]

SMOKE

PRODUCT FEATURES

- 22 dB Noise Reduction Rating (NRR)
- Sleek, extremely low profile earcup makes this a very versatile earmuff for most shooting environments
- Efficient, low-energy consuming with 4-hour shut-off, delivering 350 hours of battery life
- AUX jack connects to MP3 players and scanners
- Up to 4X amplification makes it easy to hear range commands and conduct conversations, while internal circuitry automatically shuts off dangerous impulse noises above 82dB
- Air Flow Control[™] technology enhances the Noise Reduction Rating
- Convenient folding headband design for easy storage
- One single power and volume control knob
- Easy access to the external battery compartment
- Cushions can be replaced with item number R-02350
