RIPTIDE WATER SHOE

A Breathable Water Shoe

These shoes feature the same non-slip Chevron outsole as our original commercial grade fishing boots. They are extremely comfortable and feature a breathable quick dry airmesh upper perfect for drainage. Whether you're launching your kayak or sighting fish from your paddle board, the XTRATUF Riptides will keep you sure footed and adventure bound. New for Spring 2020, the Riptide will now be available in White, Tan, and Teal for Women.
